

Homework

Explore the numbers that add together to make 10 (Number Bonds).

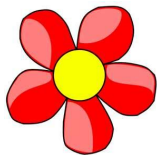

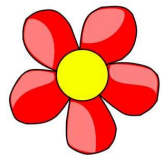

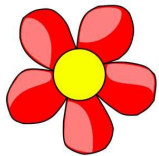

Collect 10 identical items e.g. counters, bottle tops, sweets etc.

Can you sort them into 2 groups?

How many are in each group?

How many are there altogether?

Can you tell your grown up a number sentence to show what you have done? E.g. 3 add 7 makes 10

3

Draw pictures to show what you found out
