

A decorative border surrounds the text, featuring a repeating pattern of a young boy in a green shirt and blue pants pushing a red cart filled with colorful books. The border is composed of a top row, a bottom row, and vertical columns on the left and right sides.

# Homework

We would like to know what the children have enjoyed during their first half term at school. Talk to your child about what they like at school and about what new things they have learnt. Ask them to paint/draw a picture to show their ideas and then write down their comments for them. Please can this be completed on A4 paper/card so that we can stick it into their evidence books—Thank you!
