

# Homework

This week is Maths Week and we will be doing lots of Maths Investigations. Can you do the following investigation at home this week? You could use paper plates and toy food to help!

**How many people live in your house?**

**If you wanted to make a cake for everyone, how many would you need?**

**What if you wanted to make 2 cakes for everyone? How many would you need?**

**If you made 10 cakes, how many could you have each?**

Draw pictures to show what you did.
