

# Year 2 Homework Challenge

## 07.11.11

**Literacy:** We are still working on instructions and are also thinking about perfectly punctuating our sentences. The children will have sentences to complete in their homework books.

**Maths:** Last week we were working on telling the time. The children will have a time activity to do at home this week. If you have an activity sheet in your homework book you can carry on doing these activities too.

Thank you,  
Year 2
