

This week in Early Years we will...

- Welcome our part-time children into school all day, and a new member of our class into school each morning.
- Practise our Christmas play everyday, including a dress rehearsal for the rest of the school on Wednesday, and perform for parents/carers on Thursday and Friday.
- Begin to talk about the Christmas story.
- Make Christmas tree decorations and begin to make Christmas cards and calendars.
- Review all the phonics work we have covered this term and learn about the sound 'l' and 'll', as in bell'.
- Have fun listening to stories about snow/ Christmas and enjoying lots of other Christmas activities in the classroom.

It will be a busy couple of weeks, especially for the part-time children who will be getting used to staying with us all day, so there will be no homework now until January.

The Early Years team.
