

14<sup>th</sup> February 2011

This week in numeracy we will be measuring objects using a variety of units. We will also be working on data collection and finding out ways to record our information, such as, in block graphs and tables.

In literacy we will be looking at the story of "The 3 Little Pigs" as well as continuing to video our rhymes.

We are also still working on our transport models in the hope that they will be ready to come home by the end of this week!

Homework:

The children will be bringing home the maths games that they have designed, so if you could help them play them that would be great.

Show and Tell:
