

# Year 1

# Homework

Please complete the following topic and maths homework by Monday 19<sup>th</sup> September. Your child will bring home a book to record homework in when appropriate.

Our theme this half term is **Where Do I Come From?**

- **Find out where you were born. Which country/city/town were you born in?**

Over the next two weeks the children will be counting in ones, twos, fives and tens, and estimating different quantities of numbers up to 20

- **Take 20 objects. How many different ways can you count them? E.g. ones, twos, fives and tens. Next try 30.**

Remember – if you are counting in groups of two, you need to count two objects each time!
