

Year 1

Homework

Please complete the following topic and maths homework by Monday 26th September. Your child will bring home a book to record homework in when appropriate.

Our theme this half term is **Where Do I Come From?**

- **Who lives in your house? What type of house do you live in?**

Over the next two weeks the children will be reading, writing and ordering numbers up to at least 20.

- **Practise writing all numbers up to 20 (you can write more if you like!)**

Please remember to put additional sheets of paper inside the homework book or make sure that they are named!
Thank you!
