Dear Parent/Carer

Attached to this letter is our Home/School Agreement. The Agreement underpins our philosophy and aims to give us (our children, parents/carers and staff) a definition of our collective responsibilities in enabling Lord Deramore's to be successful. The Agreement was written by a working group of parents, governors and staff.

When you have read the Agreement with your child, please sign and return the loose copy to school, the copy on the back of this letter is for your reference. If you wish to discuss the school philosophy in relation to the Agreement please contact me.

Yours sincerely

Sheena Powley
Headteacher
