

LORD DERAMORE'S PRIMARY SCHOOL

24th January 2012

Dear Parent/Carer,

Re: Parent and child progress meeting.

To support children before their transition to secondary school, a small group of children will be involved in maths 'booster lessons' to focus on specific areas of mathematics. We would like your child to be involved in these lessons that will take place once a week while the whole class are doing maths. These sessions will be run by Mrs Hitchon and will start on *Thursday 2nd February*.

On *Monday 30th January*, Mr Heale will be holding a parents' evening between 3.30 and 6.30 pm to discuss your child's needs on an individual basis and to give you more detail about the booster group. Please fill in the slip below to make an appointment. Please note that we would like your child to accompany you.

Yours sincerely,

Peter Heale

Parent and child progress meeting

Name of Child _____

We are happy for our child to take part in the booster lessons and would like to book an appointment to see Mr Heale on Monday 30th January.

Signed _____
